ST. PETER'S

CATHERINE MARTIN; DIRECTOR

INFORMATION FOR PLAYERS

Introduction

It is great that we can put on a public concert but we do need you to follow these important rules:

Please bring your own stand - there will be no sharing of parts.

While playing remain 2 meters apart

Use the side entrance only and sign in when you arrive

Please use the hand gels on arrival and when you reenter the church

Try to maintain social distancing at all times.

Players are not required to wear a face covering but bring one just in case.

We encourage you to wear your concert dress to the venue on concert day, rather than change

More information on Covid Secure Guidelines can be found in the attached document

Tickets are available online there will be no tickets available on the door

Audience members are legally required to wear a mask

Tickets can be purchased here <https://www.wegottickets.com/event/505095/>

PARKING AND WEEKEND ENGINEERING WORKS

There is very limited street parking in Belsize Park. We would advise players to take public transport whenever possible. Parking can also be found about ten minutes' walk from the church. Further information about this can be found by visiting the Camden Council website.

There are no planned engineering works scheduled at the weekend.

MUSIC

Printed bowed parts will be supplied at the first rehearsal. However, you should prepare your part in advance of the first rehearsal. All the music can be found on YouTube and Spotify. You can download sheet music from the link below.
