## INFORMATION FOR PLAYERS

### Introduction

We are currently in a period of change regarding rules, but right now we are hoping to have an audience of up to 100 people. We would like to sell as many tickets as possible to ensure all costs are covered so please invite friends and advertise on social media. As far as we know these are the current rules:

**Important:** We ask players to take a LFT rapid covid test before travelling to each rehearsal. Thank you.

Please bring your own stand - there will be no sharing of parts.

Use the side entrance only and sign in when you arrive

Please use the hand gels on arrival and when you re-enter the church

Try to maintain social distancing at all times.

Players are not required to wear a face covering but bring one just in case.

We encourage you to wear your concert dress to the venue on concert day, rather than change

Tickets are available online there will be a limited number available on the door so please book in advance. Face coverings for audience members is advisory currently rather than mandated.

Tickets can be purchased here <https://www.wegotickets.com/event/529165>

**MUSIC**

Printed bowed parts will be supplied at the first rehearsal. However, you should prepare your part in advance of the first rehearsal. Most of music can be found on YouTube and Spotify. You can download sheet music from the link below.
